

CLASS LIST

Terracotta Fiori

Foundation paper piecing is a great way to make points look perfect. Learn how to Paper Piece along with tips and tricks on how to make it easier.

Y - Seams. Why not!

Y seams can make a pattern extremely simple. Learn the basics of the Y seam. Let's play with the technique and make it work for everyone.

Mountain Breeze

Explore the world of triangles and hexagon quilts with the Mountain Breeze Quilt. A great pattern to master angled edges with ease.

Large Piecing

Fractured Light is a big quilt with big impact but it is really quite simple. Let's explore the world of angles, large pieces, and color.

EPPed motifs

Are you intimidated by English Paper Piecing but love learning new techniques? Let's dip our toes into the world and explore all the fun things we can make, use and love.

The Golden Hen

In this workshop you'll learn to craft an adorable and functional Pincushion that looks like a hen! Quick projects are the perfect way to give you a quilty jolt. Add a touch of whimsy to your sewing space.

Gem Star Quilt

Have you ever foundation paper pieced? It is a little different but so much fun. This wall hanging lets you learn the basics of paper piecing without being very complex. A fun skill building project.

LECTURE LIST

HALF SQUARE TRIANGLES

Making a **Boat Load of HST** at once and why I love Half Square triangles. My Quilt Design journey started with a handful of patterns. One of my very first designs utilized the Half Square Triangle. They are great way to make any project look complex and so simple. Let's dive into the HST, how to trim them and how to make them look great.

SCRAP HAPPENS

Fabric scraps can be overwhelming!! Tame your Scrap bin by making other projects with your leftovers or practice improve and make something beautiful and unique for your quilt back. I have many examples to show.

FOOT FETISH

I love our quilting feet! From the 1/4" foot, to the zipper foot to the vinyl foot and others in between. Cheers to all the feet and how we can use them.

TRUNK SHOW

I have made over 100 quilts and have finished my quilts in many different ways. Let's look at them and how they can be applied to your quilts.

JELLY ROLLS

Dive into a jelly roll! From sorting and grouping to picking your quilt. Let's have a mini Great Jelly Roll Bash.
